About the Fort Worth Boat Club Sailing Program...

The Fort Worth Boat Club Jr. Sailing Program– provides high level sailing instruction and coaching for all levels. FWBC provides a safe and friendly environment conducive for the learning process of young sailors. Our program is geared for young sailors who enjoy the sport of sailing and the sailors wanting to compete regionally, nationally, and internationally. For children interested in racing, Fort Worth Boat Club offers opportunities for children to sail locally and nationally. The FWBC Sailing Team travels to places such as Louisiana, Florida, California and all the way up into the Northeast. With this program your child receives the best instruction from the finest coaches from around the globe. It is a world class sailing experience to remember.

Our Mission...

The Mission of the Fort Worth Boat Club Jr. Sailing Program is to develop knowledgeable, honest, and passionate youth dinghy racers and sailors. We are dedicated to providing a safe, fun environment for young sailors to develop and refine their sailing skills, practice good sportsmanship, build lifetime friendships and compete at the highest level of sailing. FWBC recognizes that all sailors, whether they have a good day on the water or a bad day, are all winners.

Advanced Opti Racing Team...

WHITE, BLUE, RED FLEETS

This course focuses on sailing fitness, mastery of boat handling skills, advanced racing tactics and techniques, team racing, fine tuning sail controls, and the physics of racing sailboats. Sailors practice using sail controls, body weight and aerodynamic/hydrodynamic theory to make their boats go faster. Sailors will be taught to ask questions about evaluating and learning about their performance, and integrate on the water coaching, video analysis and advanced equipment preparation into their regatta experience. In addition, sailors will learn Team Racing which is two teams of four competing against one another using special tactics and strategy to achieve winning combinations of scores. All members on the team contribute to win a match.

PRACTICE SCHEDULE

Saturday practices are from 10am-4pm and Sunday practices are from 12pm-5pm. All sailors must be rigged and ready by the start time (weather permitting). All Sailors must come prepared to work out and/or swim. Lunches are not provided.

Frequently Asked Questions

How early should I sign up for the Fort Worth Boat Club Jr. Program?

As soon as possible.

How old do I need to be?

Although any age can learn to sail, typically the younger the better. Ages 7-14 typically sail in Opti's, progressing to either Laser or 420. Ask Coach Scott if you have questions about your child's age.

What are the TSA Regatta coaching fees?

They are fees charged to the participants to offset the cost of having coaches and coach boats at regattas. Coaching fees are \$45-\$55 a day, plus expenses. Members of FWBC receive the discounted rate. The amount you pay for expenses are based on the number of participants.

What are my payment options for the winter program?

Check or FWBC Club Charge. If you are a non-member, you will be required to keep a valid credit card on file. *All required forms must be filled out completely before participation.

Is my child ready to travel outside of Texas for regattas?

Yes, all levels of participation are offered at regattas from beginning to advanced.

What if my child isn't interested in racing?

Sailing is a sport that your child can enjoy for a lifetime. If racing does not peak your child's interest, FWBC offers great summer programs geared to teaching children to sail while having fun and furthering their knowledge of the sport.

Does FWBC offer supervision after class?

No, please make sure your kids are picked up or supervised promptly after class ends.

Meet the Coaches

SCOTT LINDLEY

Scott Lindley is the new Jr. Sailing Director of Fort Worth Boat Club and Owner/ Head Coach of the P1 Sailing Team. Scott grew up sailing and teaching in the San Diego Yacht Club Jr. Program, winning several Jr. National Championships in the Snipe Class and many Naples Sabot Regattas (The Naples Sabot is another pram, similar to the Opti.) He competed in **6 US Youth Championships** in Sailboards, Laser II's and Lasers– medaling twice. Scott was fortunate to have great coaches growing up like Mark Reynolds, JJ Isler, and Brian Ledbetter– All Olympic Gold Medalists!

Scott sailed for the College of Charleston on a team that won National Championship and consistently ranked in the top 5 in the country. There he sailed Lasers and 420's and earned a Bachelor's Degree in Physical Education/Sports Medicine. Scott also did an Olympic 470 campaign with Johnny Lovell who later earned the Silver Medal at the Greece Olympics in the Tornado Class. Scott and Johnny finished 11th out of 40 boats in the US Trials with only 6 months of training and received the Silver Medal in the Olympic Classes Regatta that year. Scott has continued racing in Snipes, J22's, J24's, Melges 24's, Etchells, E-Scows and PC Class boats.

Scott currently is a Level 3 US Sailing Coach, US Optimist National Team Coach and has been the Jr. Sailing Director of Houston Yacht Club, Texas Corinthian Yacht Club, Palm Beach Sailing Club, as well as the Assistant Sailing Director at Lauderdale Yacht Club. He has worked as a sail maker with Banks Sails and North Sails. In 19 years of coaching Optimist sailors, most of his kids have reached team trials, qualified for international teams and the US Optimist National Team. Many of Scott's students, new and old, are at the top of the results sheet at major regattas. It is quite clear that Scott's passion is sailing along with honesty and hard work. These attributes are quite clearly instilled in his students.

ALLYN FINCHER

Allyn Fincher works as the Green Fleet Coach at the Fort Worth Boat Club. Allyn is a Fort Worth native, and spent time sailing on Grapevine Lake and Eagle Mountain Lake as teenager. He learned to sail in a high school Outward Bound program in South Florida and has spent time cruising in the Bahamas and Florida Keys. After graduating with a degree in English from Texas Wesleyan College in 1985, he spent three years in the United States Coast Guard. Upon leaving active service, he taught English, history and science in El Paso and Brownfield public schools. Upon returning to Fort Worth in 2003, he earned a degree in Geology at the University of Texas at Arlington and went to work for EOG Resources in 2006. Allyn left EOG in 2009 to work as a geologist at Forestar Oil and Gas until 2015. He currently holds a Real Estate License and works part time as a Realtor for Wilco Realtors in Fort Worth.

Allyn has a variety of sailing experiences from crewing on tall ships and schooners to solo sailing keel board sloops and his own centerboard boats. He has owned and sailed Lasers, Hobie cats, and various other sail boats. He currently owns a Holder 14. His love of sailing and being on the water has transferred to his two younger children Hollis and Harrison. Both are on the junior sailing team at the Fort Worth Boat Club and compete in optimist prams.

Allyn has a passion for teaching and nautical traditions. He is a natural teacher and always looks for a way to find the "a ha" moment for his students. Allyn has three goals for new sailors. First, he focuses on getting sailors to form good habits around their boats because good habits make a good boat and sailor. Secondly, he strives to teach new sailors to observe their surroundings and look for the wind. Finally, he teaches that hard work and discipline that sailing requires brings a type of self-satisfaction that only a job well done can bring a person.
